

Lifta VARIO

SEAT

- + Foldable arm- and footrests
- + Manual and automatic swivel seat, foldable
- + Optional reversing
- + Low-maintenance artificial leather or fabric cover and seat upholstery
- + Maximum carrying capacity of around 125kg

CONTROL

- + Handy, sturdy controls, on either the right or left armrest
- + Two additional remote controls

DRIVE/BRAKES

- + Grease-free drive system
- + Electric motor with rechargeable battery
- + Control shaft laterally behind the guide rail
- + Charging station at the bottom and top of the stairs
- + Automatic charging

SAFETY

- + Type-tested safety device (Fuse: The catch mechanism automatically stops the lift when the maximum speed is exceeded, thus preventing uncontrolled movement)
- + Speed limiter
- + Automatic end switch (automatically stops at the end stop)
- + Integral safety sensors on the footrests and on the drive unit (the lift stops automatically if the sensors detect an obstacle)
- + Self-locking gearbox and braking device (resistance in the motor and gearbox serves as an additional safety measure)
- + The lift stops automatically when the controls are released

ELECTRICAL CONNECTION

- + 230V alternating current socket, 50Hz (household current) required at the top or bottom of the rail

INSTALLATION DIMENSIONS*

- + Chair width 580mm, seat width 400mm, footrest width 270mm
- + Distance from seat to footrest 490mm
- + Distance folded chair to wall 360mm
- + Distance unfolded chair 645mm
- + Rail diameter 60mm

* The dimensions may vary for construction purposes depending on local installation conditions. | Update 03/2016
